The American Society of Ophthalmic Registered Nurses of Florida (ASORNF) was formed in 2007 to provide educational opportunities to ophthalmic Registered Nurses and other health professionals. ASORNF also collaborates with practitioners, organizations and healthcare industry personnel in research, community, outreach and education of the public pertaining to ophthalmic care. This is the 7th Conference sponsored by ASORNF in collaboration with professionals and leaders in ophthalmology.

September 20th, 2014

Overview

The American Society of Ophthalmic Registered Nurses of Florida (ASORNF) was formed in 2007 to provide educational opportunities to ophthalmic Registered Nurses and other health professionals. ASORNF also collaborates with practitioners, organizations and healthcare industry personnel in research, community, outreach and education of the public pertaining to ophthalmic care. This is the 7th Conference sponsored by ASORNF in collaboration with professionals and leaders in ophthalmology.
Accreditation

- BPEI is accredited as a provider of continuing education in nursing by the Florida Board of Nursing, Provider Number 50-193.
- This course has been submitted to JCAHPO for consideration of CE credit.

Credit Designation

- Bascom Palmer Eye Institute (BPEI) will award 4.5 continuing education hours to nurses who attend this program in its entirety.

Disclosure and Conflict of Interest

- All conflicts of interest of any individual(s) in a position to control the content of this educational activity will be identified and resolved prior to this educational activity being provided. Disclosure about provider and faculty relationships, or the lack thereof, will be provided to learners.

Teaching Modalities

- Live didactic and interactive lectures
- Question and answer sessions
- Handouts

Target Audience

- This course is designed for ophthalmic registered nurses, ophthalmic assistants, technicians, technologists and all staff interested in the clinical care of the ophthalmic patient.

Services for the Disabled

- Please contact Hilda Brito at hbrito@med.miami.edu or at 305-482-4358 prior to September 5, 2014, should you have any special needs that may require additional assistance. A conference staff member will contact you to discuss these special requirements.

Objectives

At the completion of this course, participants will be able to:

- Understand that human diseases are essentially not new, but their recognition and our management of them is ever evolving.
- Discuss visual development milestones and development of visual acuity.
- Discuss management of ocular trauma cases.
- List patient education information that should be discussed with patients who have the Argus® II Retinal Prosthesis System implanted.
- Identify components that must be considered when compounding medications.
- List two steps that can be used in resolving conflicts
- Emphasize keeping an open mind as to diagnosis rather than assuming all MS patients have optic neuritis.
- Review ocular complications of smoking.

Location

Bascom Palmer Eye Institute/ABLEH
- Jose Berrocal Auditorium, 2nd Floor
- 900 NW 17th Street
- Miami, Fl 33136

Parking

Free parking for the conference, is located at the 17th Street Bascom Palmer parking lot, across from the JMH parking garage and diagonally from BPEI.

Thank You ASORN-FL Sponsors!
